## SPECIFICATIONS

material type

ABS PLASTIC

These incredibly versatile folding hangers are ideal for multiple uses including: clothing, towels, accessories, and with two units - skis!

A convenient, practical, low-cost hanger that mounts flush to any flat surface. The hanger arm drops down for use, folds up for out-of-the-way storage.

This unit supports up to 90 pounds of gear or clothing. Recessed screw holes for O.E.M. styling show integration of design. All units are made with flame retardant materials.

An optional courtesy light for illumination is available (12" model only). Surface-mount option available on 9" hanger (requires optional bezel).

The hangers are available in the following sizes and colors:

9" Hanger in Black, Tan, and Gray.

12" Hanger in White, Black, Tan, and Gray.

24" Hanger in Colonial White, Black, Taupe, and Gray.
