

# Look at American Technology... See the Difference.

## AUTOMOTIVE 12V RECEPTACLES

ATC is offering a receptacle for virtually any 12V accessory for the van, recreational vehicle and sport utility vehicle markets.

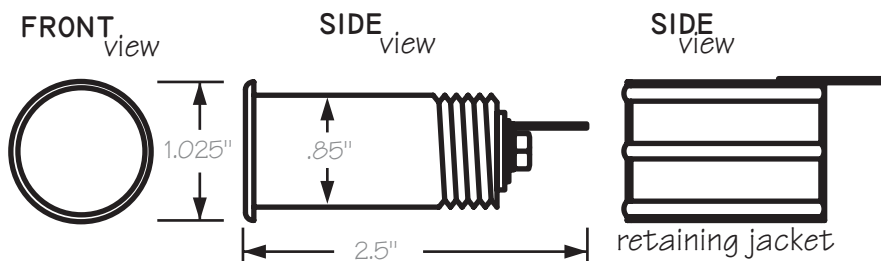

Take just one look and you'll see why our ACP-002 automotive 12V receptacle has become 'the standard' in automotive receptacles.

Features include:

- Mounting jacket with "grippers" for secure attachment..
- Ideal for indash 12V receptacle applications.
- Locate anywhere 12V receptacle is required.
- Quick connect .250 male terminals allow for fast installation.
- Optional rubber safety outlet cover to protect from debris entering the receptacle available (ACP-003).
