At last, a convenient and innovative rugged ashtray for the mobile environment.

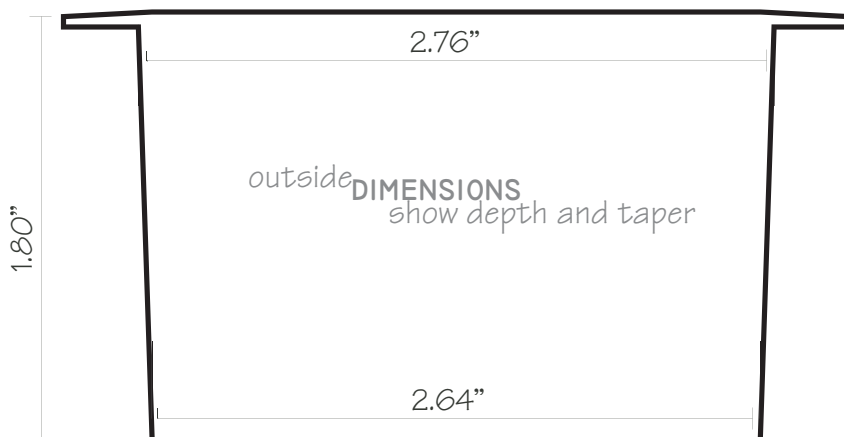

Constructed from stainless steel to match any decor, this cup insert ashtray is durable and retains its luster.

Drop into a standard sized (2.8" I.D.) cup holder, and this ashtray is spill-proof and attractive.

Best of all, it can be placed in the dishwasher for easy cleanup after use!

Depending upon your requirements, our STAINLESS STEEL CUP INSERT ASHTRAY can be used as a permanent or temporary fixture.
