

Look at American Technology... Innovation by Design.

COLLAPSIBLE GRAB HANDLE

This new addition to our family of molded accessory products is a winner! It's a versatile, mount-anywhere handle that folds back into the ceiling or wall when it's not in use.

This unit is molded from rugged A.B.S. plastic in several popular O.E.M. colors.

Features include:

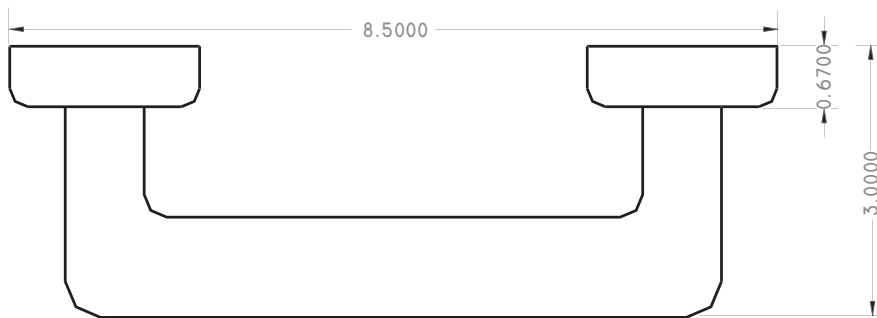

- Snap on screw covers.
- Spring assist handle that returns to foled position when released.
- Contoured handle and mounts that blend with virtually any interior decor.
- With a conforming mounting surface, unit is rated at up to 200 pounds pull!

Applications include:

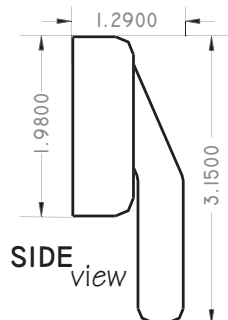

- Conversion vans and RVs.
- Trucks and coaches.
- Marine and specialty trucks.
- Aftermarket and upfitters.
