ATC's 12V PUSH LIGHT is a unique combination of function and styling to accommodate countless applications.

This euro-style recessed 12 volt, 5 watt COURTESY LIGHT meets all CSA and UL recreational vehicle requirements and is CSA and UL approved for use in automotive and recreational vehicles.

Features include:

- Can be used with or without a master switch.
- Can be used as a courtesy light in conjunction with a door activated switch.
- Can be switched on and off with a master switch.
- Can be activated by pushing the lens - push on...push off.

This low profile and compact design makes applications endless!
